“ *Although we did not know Keith, we are sorry to have heard of his death. I just want his family to know how very sorry we were to hear of his passing. Sometimes our loved ones go way to fast and we just don't understand why. God has other plans when our loved ones pass way to early and we don't understand why. I hope that Keith's family can find comfort and forgiveness for the monster who took a little boys father, a son and loved one from them. We pray that they will find the person that's responsible and punish them as they should be punished. Bless you all in this sad time.*

“ *I've sat and cried since I heard about the loss of this precious young man. He was not afraid to speak and to live what he believed in. I see him as a Warrior now in God's Army. Mere words cannot bring comfort when one has lost a son, brother, husband, dad and friend. Please remember, one day, you will be reunited with Keith in that place where there is no death, no hospitals, cemeteries and no evil. When you get there, he'll see you first and start running toward you...ready to grab you up in a bear hug. May the Holy Spirit of Jesus wrap you all up in His loving arms right now.*
