“ *Please accept my late condolences. I live in Oklahoma and just found out. Kelley and I were very close in middle and high school and we had just recently reconnected on Facebook. She never told me she was ill. She was a great friend...you are in my thoughts and prayers.*

“ *I was so sorry to hear about Kelley. I always considered her a close friend growing up and going to school with her at Second Street School. She has given me so many memories of my childhood, coming to her slumber parties, and playing on the play grounds at Second Street School. I will always remember her May she rest in peace.*
