“ *I am so sorry for your loss. Kelli worked in my office for several months while she was going to ITT and she was a wonderful girl. She always had a big smile on her face no matter what her day was like and always had kind words for everyone. She talked about her family a lot and I could tell she loved her family very much and that they meant the world to her. She was a very bright, beautiful young woman and everyone loved her. I will keep all of you in my prayers.*

“ Rawlings Family, When you lose a loved one it is so hard. Over the years watching your children grow along with my girls has just flown by. The girls danced together at Capital City and mom had the boys in toe. Remember ALL the good times and hold them in your heart. If ever I can do something for any of you please let me know even if you just need someone to talk to I am here.

“ I went to school with Kelli and was a football manager with her. I am deeply saddened by her loss and am praying for your family in this very difficult time. She was taken too soon, for reasons we will never completely understand. I will miss her extremely contagious smile, she was a wonderful person. Her family and friends will remain in my prayers. God Bless.
