“ *I am so sorry to read of Kenneth's passing. It has been about 5 years since I last talked with him. I lost track when you left Shelby County. We both talked about the need to stay in touch. Needless to say neither of us did that. Had he been sick or what really happened He was way too young for this to take place. I have a lot of memories from our youth. I will not be able to come to the service, I have a Dr. appointment that was made 4 months ago. When you get the chance please let me know what happened to Kenneth. I will keep you and your family in my prayers. Bob McDowell*
