“ My heart goes out to Kayla, to Judy, and to all who loved Kenny. I know he holds a special place in the hearts of all who knew him. He had a fearless fun-loving demeanor that was so contagious. Always laughing, and such a good person. Willing to help anyone he could. He was my husband's cousin and best friend, and he will truly be missed. We have lots of memories, and those will live in our hearts forever.

We are all better for knowing you, and we will miss you Kenwah!!!

“ Rest in eternal peace Ken. While we worked together at Louisville Metro Department of Public Health and Wellness, I came to know Ken first as a very devoted father to Kayla. He took his accounting work seriously yet with a lighthearted laugh and a smile. Now he's made his last entry in the balance sheet of life. My sympathy to Kayla, Judy and Ken's family. May your memories bring comfort at this difficult time.

“ Ken is one of the greatest individuals I have ever met. The influence he had on my life has been profound. There are so many qualities he shared, demonstrated, and lived his life by. Integrity, and a upbeat sense of humor are at the top of the list. I love him and will miss him greatly. God bless you and thank you.

“ So many things to say. Kenny was more like a brother to me then a cousin, although we have a ton of awesome cousins. He always said his phone didnt work from Frankfort to Louisville but it did from Texas to Louisville 💎💎💎💎♂️. Kenny always made special road trips for us going to Frankfort. Truly thoughtful. Not because hes family but because I know him, he was/ is one of the best people I've meet. I guess our next road trip will be when I go home too one day. Ya just had to beat me to Mamaws biscuits and gravy didnt ya. Gosh lam gonna miss your laugh. Kenny I promise I will always be praying for Kayla and am only a call away. Thanks for putting up with me lil brother-Cousin. Love you forevermore

“ Ken was an extraordinary accountant and an all around good person. When we worked together at the Louisville/Jefferson County Health Department I could always count on Ken for quick, accurate answers. Ken also had a rapier-like sense of humor that often left me smiling. My heart goes out to Kayla, Judy and the rest of Ken's family. I understand that your loss is profound. God bless, Russ

“ Kenny was my cousin, by marriage, who grew to be my big brother, who grew to be my best friend. I was lucky to get to spend alot of time with Kenny and will cherish every memory from now on. We were constantly joking with one another, during our trips, days and nights out, phone calls, everything. Kenny (Kenwah) will be truly missed.

Kayla, you know how I feel, I love you with all I have.

So many stories....I love ya buddy !
