“ *Betty, Vickie, DeeDee and Shawn, My thoughts and prayers are with you all as you walk through this difficult time. What wonderful memories I cherish of "Pops." He was wicked with a glass of cold water when I wasn't up in time for church....he tricked me into eating so many different things... I'm glad I still don't know what I ate! All the love shown to me by your family will never be forgotten. I love you-*
