“ *i have known Kenny and Denny most all my life but most recently we grew to know each other in a very different and special way !!!! we all started going to North Frankfort Baptist Church about the same time and found that we shared the same Love for Jesus and a passion for music !!! the songs you sang will live on for ever in my mind and heart when i was feeling down you always had a word of encouragement for me, your Faith was inspirational !!! my heart and prayers are with all the family and those who are feeling the loss of our friend and brother in Christ, but take comfort in knowing that by the Love of Jesus we will be together in Heaven once again !!!! when Kenny closed his eyes here he opened them in Heaven with a brand new body to live for ever with Christ ! we will miss you !! Blessed to have known you, Frank Brophy*

“ I lived across from the twins on the Owenton road just outside of Monterey. Haven't been around him much over the years. Have seen him a few times. But he and his brother were really nice guys. My name is Sharon Dempsey and my thoughts and prayers are with the family.

“ My family and I have had the honor of living across from Kenny and Liz for many years. They have been like a third set of grandparents to our daughters. My youngest (6) was Kenny little buddy. He was always outside as was she when it's warmer and they always talked . My oldest (13) loved going over and helping him in the yard. He and Liz always said they felt safe with my husband (a paramedic) and I living across the street. I wish he knew how much safer I always felt when my husband was on duty and I knew Kenny was keeping an eye on us.

*We will miss greatly you, sir. You always had a kind word for us and I loved your sense of humor. Prayers and love to Liz, Tony, Ken, TJ, Justin and the rest of of the family.*
