“ My deepest condolences on the loss of such a beautiful person. I know Kim suffered a lot from her illness however, her love for her family was always steadfast and strong. Her thoughts were never far from you and the boys. Kim was a vibrant, beautiful person. Over the past week, my thoughts have often wandered and I have thought of her smile, her laugh, and that zest she had. She was one of a kind. After our last dinner together, the thing that struck me the most, was how much you loved her and she loved you. I think you have modeled the sacrament of marriage. Mike and I are here for you and the boys however you need us. Again I am truly sorry for your loss, but know in your heart you will meet her again one day in heaven, where she waits for you and watches over you and the boys.

“ I served as Best Man at Shane and Kim's wedding. It was my honor and it is a great memory I have of the both of them, so in love and happy together on that wonderful day. I will always treasure the image I have of the groom looking so dapper in his tux and the beautiful bride in her wedding dress. I'm so sorry for your loss. My heart goes out to Shane, Eric, and Patrick, and all of those who loved and knew Kim.

“ *I worked with Kim for several years at the Department of Housing, Buildings, & Construction. I knew her as a very friendly, always smiling young woman who was a delight to be around. I just want everyone to know that her loss was very devastating to me and that she will be missed. My thoughts and prayers are with her family at this trying time....*
