“ Kim i never thought I would be doing this. I miss you so so so much. Even though we didn't talk every day but we did talk when needed. I'm going to miss the laughter we shared as well as the crying times. There's just so much to say and no time left to say it. My heart is so so heavy. Believe me when I say you were the best friend anyone could ever imagine having. Kim i loved you to the moon and beyond. Gone but ever forgotten and you are going to live through my heart forever 💔
