I will never get to talk to you again & that breaks my heart but I know you wouldn't want any of us sad. I hope your at peace love & having the best time up there! “ *You'll always be in my heart Korey. I can't believe this is the end. Thanks for always believing in me, all the laughter and wild stories you provided, running flash cards on medical terminology with me at 1am, always being down for an adventure, singing karaoke and telling me we were going out on my 21st even though I was sick. You're still the best hugger I know.*

Lavender Gooms will always remember Shawn. Big facts.
