“ *I just learned of Larry's death and want to express my condolences to his family and friends. I worked with Larry at Greenheck for many years. Learned he had a twin brother when I went to the service station and "Larry" (actually Gary) ignored me, then later explained he had a twin. The next time I went to the service station, I ignored Gary, but it turned out to be Larry. I was totally confused! He will be missed.*
