“ *My husband (Gene Cloyd) and my dad (John Triplett) worked with Shorty for many years at the Transportation department. Shorty shared many family stories with them both. Gene always said no better man than Shorty Dempsey. Larry is now making new stories with his dad-Shorty and my husband-Gene. I'm sure Mom's (Minnie) making many meals with homemade biscuits for them all. She always sent homemade biscuits for all the dinners at work. Sometimes Larry and Ronnie would stop in. We're so sorry for your loss. Love and Prayers, Pam Cloyd and John Triplett*

“ *Uncle Letcher and I are so very sorry for te loss of Larry. Letcher has told me of the fun he, Shorty, and Jim had with Larry beginning with him as a small boy. I can imagine those three together again. Larry had such a good heart. It was so good of him to keep touch with Letcher when they both could not get out. Please know we love each of you and are here for you.*
