“ To keith's family,

I went to High School with him and we were good friends. I was fortunate to have made contact with him on face book this year. we had a couple of real long talks reminiscing about our school days. He had told me he had spent alot of time in the hospital this year but didn't elaborate on the reason or how serious his condition was. I am deeply sorry for your families loss,he was a good fellow, and a good friend. Even though I hadn't seen him face to face for years the talks we had recently seemed to cheer him up and I will DEEPLY MISS him.

In deepest sympathy

“ *I was so sorry to hear of Keith's death. I know he had been through a long and difficult time, but now he is at peace. I was thirteen when Keith was born and remember what a sweet little guy he was. We saw very little of each other as adults, but I never lost my soft spot for my sweet baby cousin. I won't be with you on Saturday, but I'll be thinking of you all. Shirley*
