“ *Robert Mc Burney, my late husband, was given one of Larry's paintings by his daughter, I believe, when she was a student at Baylor. It's called The Fisherman. It was signed 'to Robert' below his signature and a scripture above, Matthew 4:19. I wish I could thank her all these many years hence. Robert treasured this painting and it's now the focal point in my living room.*

“ *Larry was such an amazing man. He was my step dad's best friend and I had know him for many many years; for as long as I can remember. Larry was always around for the holidays and family events because he was more than just a friend he was like family. He would go to the drag strip with us and it was like he was on a vacation all day. Larry was a easy man to please he went each day with a smile on his face and a joke in his mind. He could always make me laugh with the stories him and my dad would tell to all the silly things they did. Larry was an amazing man and he is greatly missed but now he is resting peacefully watching all the nascar, drag racing, and sports that he can. He is in his Vacation spot now and I know he is enjoying every minute of it. Larry is missed so much, but he is still here with us all each and every day.*

“ *I'm very sorry to hear of Larry's death. Larry and I became friends when we played softball several years ago. I recently spoke with Larry at Frisch's and he was cheerful and friendly like he has always been. Mary Jo and I will miss seeing and talking with Larry around town.*
