“ *To Lisa...My sincere condolences to you and your family. You may not remember me, but I knew you as a child and knew Larry, and was so sorry to hear of this lost. Larry was a nice man. It was a joy to know both of you, and I pray that God will keep you near and strong. My prayers are with you and your family.

“ *Dear Lisa Durham and family:
My heart and prayers are with you as you morn your loss. I graduated high school with Larry Earl, but he had been a friend since the 5th grade. His grandfather "Sloppy" used to work for my father at Hubbard Oil Company so of course Larry Earl knew my Dad. Larry Earl loved to tease and aggravate me during that 5th grade school year, so much that I got a D in conduct because I would "fuss" with him! However, when I broke my leg that year, Larry Earl would be there every morning to carry my books since I was using crutches to get up the stairs. I never forgot how he helped me. I was not able to make the last class reunion and that did not bother me until now. I don't think I have seen him since our 10 year class reunion more than 20 years ago. I am sorry I missed the opportunity to cut up with him one last time. Please know you are in my prayers. Sincerely, Paula Hubbard Rafferty*

“ So sorry to hear of your loss. I only had the brief pleasure of meeting Mr. Durham since my daughters began attending KSU. He was responsible for the security over their dorm. He took an interest in them and when ever I would see him he always assumed me he was watching out for the twins. I appreciated his kindness and concern. May God continue to bless each of you.

“ Please accept my sincere condolences on the passing of Larry "Kappy D" Durham. We attended K-State together. He was very helpful to me during my time there and I always looked forward to seeing his big smile each homecoming. May God bless and keep your family close in his care during this most difficult time.
