“ *There are not enough words, or space, or time to speak of what Larry Shelton meant to me and my family. I doubt there is not a person who came into contact with Larry that wasn't touched by his sincere kindness and generosity. He was a gentleman through and through, the epitome of son, husband, daddy, grandpa, uncle and friend. He was our knight in shining armor when we were in distress, he was our protector when we were in trouble, he was the tickle monster when we needed laughter and he was the deeply concerned listener when we needed a friend to talk to. He simply cared and loved each of us and each of us loved him. I'm so sorry for the loss my aunt and cousins are having to endure and pray God will wrap His arms around each of you.*

“ *Bubba-so sorry to hear of your loss. Although I never met your Grandfather, I know he was a good man from things I had heard you and Lindsey say. Ever so often she still speaks of "Larry Gene" and how good he was.*

*Again so sorry for this loss to you and your family.*
