“ *I am so sorry to hear about the passing of my friend Larry. I did not know and it hurt me to my core. He was a character and he always came to see me when he came to get his heart checked at the V.A. He would keep me entertained bragging about his Lori and Chad, tales about his adventures with my cousin George Wilson, the loss of your mom and of course "Anna Nicole". I retired at the end of 2017 and was told that he would always ask about me. I lost my sister-in-law and brother within six months from Jan to July in 2020 and was devastated. I didn't get the news about Larry until recently. A wonderful light has been extinguished but will always shine bright in my heart. Love to you and your family.*

“ *What a character Trumps was...never called him Larry, always "Trumps". I don't know how he got the nickname. He loved to talk and always left you with something to think about. He loved the song "Rag Doll" and would get booted from Hockensmiths Pool room for irritating the manager by playing it over & over on jukebox back in the sixties. Ran into him a couple times at the VA and few other places over the years. RIP old friend*

“ I send my prayers and condolences to the family of Larry Triplett. I knew Larry for only a brief time when he and Jacque would come to Jamestown to visit the Clayton family in the mid to late 70's. I was pastor of Holy Spirit Catholic Church at the time. I remember Larry as friendly and outgoing, never to meet a stranger. I send prayers to his family and friends. May he Rest In Peace. May his soul and all the souls of the Faithful Departed through the Mercy of God Rest In Peace! Requiescat in Pace!

Trumps was a friend of my brother, George Aldridge. They could both tell some tales. Maybe they're together aggravating someone now! My condolences to the family. RIP, Trumps.
