“ *Dear Cindy and Family,*

I met Larry when I first got a computer, back in '02 and wandered into a chatroom called "Momma Ducky's". There I met many nice people but one of the nicest ones was Firdaddy...

As I got to know him, I learned to appreciate his high moral character and his total devotion to his family, especially to Cindy.

I even got a chance to meet him in person when I travelled from Canada to Springfield, ILL.

He had just stopped smoking and I have no idea, HOW he managed not to reach for one, as we were all puffing away like chimneys.

Just two days ago, I located Larry on Facebook and left him a short message. Then I got an email from another friend to let me know about Larry's passing.

Larry, you were a great example of what all men should be like but to often fall short of. I will always remember you... and oh yes, I also stopped smoking and am 6 weeks away from celebrating 6 years of clean living!

Love, Christina

“ *Firedaddy was much loved in various places of chat on the internet. He was always welcomed with much gusto and left far too soon. He will be missed by many many people.*

“ Cindy and Family,
Dick and I are so saddened by the passing of Larry. We apologize for not making the visitation. We don't take the newspaper but Marci Juett had informed me the day of the visitation and I planned to attend, although Dick was working in Shelbyville. Sorry to say, with my heart in the right direction, by the end of the day Tuesday, a very busy day at work, it totally slipped by me. The creature of habit that I am, at 5:30 when I got off, my car naturally headed for home. I remembered it the next morning. I am so sorry I missed being a part of a tribute to Larry. I was always fond of him and he was always kind to Dick and me. I am glad the two of you found some happiness and were able to live out the last part of his life together. We will keep you and your family in our prayers. I will be in touch if you are in the phone book.
Blessings,
Charlene

“ My sincerest condolences. I worked with Larry for several years. He was my station officer during several rotations. I liked working at his station. I will never forget the time he pulled me up out of a hole in the floor with one hand, while at a trailer fire.

“ Good- bye old friend, you touched my heart in many ways, you and Cindy were there for me when I needed you. The only solice those of us left behind have is that we know you are no longer suffering, go and fly with the angels, just know that you will be missed by all who knew you. Cindy and family, you are in my thoughts and prayers as you have been for some time.
God Bless,
