“ *Patty, I am so sorry that I couldn't be there. We have been out of town and just got back. Billy and I thinking of you. I loved being in school with Larry and we have many great meals at the Pub at our monthly grad's lunch. It was good to see you both at the 70th birthday party.*

*I will think of Larry often. If you can, come to lunch on the first Monday of each month to the back room for the grads lunch. We would welcome you anytime.*
