“ *I had the honor of working with Laura for several years. She was SHARP. I don't think anything on a case ever got by her! And she was her "own person" - Laura was the type of person who always evaluated carefully, and then chose her path.*

She was a kind person, and so bright. I am not surprised that she got the "gift" of a passing that did not entail much suffering. The older one gets, the more one becomes aware of such things. The loss is ours, in that her warm smile will not be there.

“ *Laura will always be one of the dearest, closest friends and confidantes of my life. Her passing leaves a vacuum in my heart and life. I shall miss you, my dear friend. Jim, Doug and I have you in our hearts and prayers. Be kind to yourself. It is what Laura would want. God bless.*

“ *So sorry to hear of Laura's passing. I hadn't seen her much lately, but we were very close friends for a number of years, and even shared office space for a few months. She was so very bright, and cared so much for animals. She'll be missed.*

“ *It was a pleasure serving on the Humane Society Board with Laura. We shared the task of creating, editing and advancing the policies and procedures. I will always remember the day we sat in your beautiful sun room working on the by-laws. She was a great lady and will be missed by many.*

I am so sorry to read of your loss Jim. I was informed by the mail that the humane society sends out. The strong love that Laura and you shared was so obvious to anyone who knows you. Please accept my sincere sympathy as I know that you will forever miss her. Hope to see you sometime.
