“ *It was a beautiful service, what brave, loving grandchildren to both sing a beautiful song for their grandmother and speak I promptly about her. And, Diana, what you said was so loving and true as well. Gayle and I benefitted from a special relationship when your Mom was supervisor in Inheritance Tax. Before she retired herself, she first wanted to make sure WE were okay. Gayle moved to income tax and I went to information technology -- then she felt we would be ok and retired. I never found the family feeling I had when working with her again though. She was such a special lady, never a Halloween (which she always loved) or a trip to Disney World will go by without me remembering her. God bless all of you as you adjust to life without her and be sure to let me know if there is anything I can do!*

“ *Laurel was one of the first people I met when we moved to Frankfort in the mid 60's. We lived in the same apt complex. Of course, we played cards I stayed with her and Diana when I was 8 months pregnant and the men were off at Summer Camp. We lived next door to each other in Indian Hills. I know there was one thing that Laurel wished she didn't do soooo well....make potato salad. It was a lot of work for a crowd but she always came through. My thoughts and prayers are with her family.*

“ *I wish to share my deepest sympathy to all of you in the death of my friend, Laurel. We were schoolmates (5th through 12th grade) and troopmates in Girl Scout Troop 101. We shared many good times over the years. I could probably write volumes, but suffice it to say, she left many fond memories with her dear friends.*

“ *David & Diana,*
I am so sorry to hear of your mother's passing, she was a wonderful person, considerate boss and a great friend. I will never forget how happy she always sounded when telling us about your family trips to WDW or anything she did with you all. It is hard to lose a loved one especially at this time of year - take comfort in knowing she now gets to wear the angel wings she earned many years ago. We have you and your families in our prayers.
