“ *I originally met Leela when I worked in the Kroger pharmacy. Many times, I would see Leela & Tim fishing at the Game Farm. When my daughter married one of Leela's relatives, she turned to me at the reception, with a big grin on her face, and said "now we are family"!! I will miss you, your smile, & your laugh. Had I known the last time I saw you at Walmart that I would never see you again...I would have hugged you longer and tighter.*
