“ *Just wanted to let you know that I enjoyed knowing Leo the whole time I have lived in Bald Knob. I met Leo at my first Ruritan Club meeting, and was immediately impressed with his friendliness. With time, I appreciated his kindness and high standards. I have always enjoyed visiting with you folks when the road in front of your house was blocked due to ice and snow.*

I think of you guys on most trips to town as I check out the old barn/garage and cars on your driveway, and look for the old International truck. For some reason, as I go past your house I remember Leo cutting the hillside with a sickle.

Hope you are doing well, as well as the kids. The last time I talked to your son he was in the service.

Wishing you the best,

Reid
