“ Jake will always be a part of my memory...20+ years ago a tree fell on our cabin which was right next door to his cabin in northern Minnesota. At that time we had only met briefly and didn't have any contact information...That didn't stop Jake and his best friend from taking it upon themselves to jump into action and remove that tree and patch our roof. Thank goodness many years later when a tree fell at his cabin I was able to help with restoring his electric service to his cabin and with the tree removal. Since then, threw the years when we were both at the cabin together we spent many enjoyable times. Jake had great knowledge about many different things and I believe he could fix just about anything. I will miss Jake very much. My condolences to Elizabeth and the Mitchell Family. Skip Fouts
