“ *I can not think back to my youth without Les being in my memories, from the time he was our paperboy to the time he was my scoutmaster. Such a fine example of a man, I will truly miss his humor and kindness, truly love he and Audrey and do so appreciate them being a part of my life right up to the end. God bless your family Audrey, you know what he meant to so many of us backwoods boys. Love you*

“ *Les was a great man and a joy to play golf with regardless of how we were playing. Always with a great sense of humor. The stories about trains and his grandchildren were always in abundance. You are now dancing with our Saviour and will be deeply missed. Praying for peace and comfort for your family.*

“ Audrey, Craig, Chris, Nea and everyone who loved and cherished this wonderful man,

I met this amazing man in 1970. His wife became one of my "forever friends"! Of course, Leslie remained a faithful and true friend, also!

I want to mention happy trips to Beech Mountain, Land of Oz, and the Furniture Market, (NC). I also want to mention happy birthday parties at the Hazard Country Club, our front yards, our back yards (many times poolside), even a surprise baby shower when the joyful news of a 3rd baby came. As everyone knows (that knew him) Leslie was a dedicated Father and Grandfather!!!!

Audrey, etc.....I hope these will bring a smile.....maybe not today, but when you see the printout later????

Lots of Love,

“ Les was a wonderful person. Being with him always was a joy, and left one feeling better. Ann and I always were happy when we spent time with Les and Audrey. Les was always full of intelligent talk, laughter and good sense. Great servant of health care, Eagle Scout and Scout leader, civic and educational leader. Devoted family man. Our community is lessened by his passing.

“ I graduated with "snake" in Hazard in 1964. He always had a smile on his face and a big heart. We were in the scouts together and he was a riot on the camping trips. He later helped me with my mother when she was ill. One of the good guys who will be missed.

“ When our son, Todd, had leukemia and had to have a Bone Marrow transplant at the Markey Cancer center the Rogers, Leslie, Audrey and their children, gave us their home in Lexington to live in so we could be with Todd every day and be only 5 minutes away from him. This was and always will be the nicest thing that happened for us during that horrific experience we had to go through with Todd so many years ago. Thank you all for your caring generosity. When I think of this family their sweetness, goodness and kindness always comes to mind. We send our heartfelt and sincere condolences to Audrey and the family, your loss and our loss is tremendous. Love Ronnie, Jenny and Todd.

“ Saddened to know cancer has stolen another strong and special person. Audrey and Les shared some very “interesting” places in Titusville, Fla. with Mirta and me! We talk about it to this day! On another occasion, Les took me back to Golf Club House when my cart ran out of gas on the 8th hole!! What a day!.....I worked with Les at ARH.....many memories.....and many blessings to Audrey and family now and in the future..

“ I am so saddened to hear of his passing. Les cared so much about home services and what it stood for. He had a such a passion and a drive to lead and guide those of us that worked for home services. He knew that our communities needed and deserved quality care and pushed us to provide not only quality care, but care with compassion and kindness. He taught me a lot and I will miss him. My thoughts and prayers are with Audrey and family.
