“ Lazy Bear Cat as he was called back in the day by my dad Bubby Moore aka as Bronson, me I was Teddy Bear and Mom Polly parrot all CB handles. Great times back then as my parents were friends with these great people. I enjoy now watching the Grandsons play softball now at times with my husband In the past years. Mom and I touched base with Joe this past summer on how his grandparents were and told him my Dad died a year ago. Often thought about the family. Prayers to you all.
