I am sorry to here about your mother. You Mother and my Mom (Vivian McKeehan) spent many hours talking over the last few years. I know they are both in heaven talking over the good times.

“ Teresa and Barbara,
I am so very sorry to hear of the passing of Aunt Lillias. I am still so heartbroken over losing papaw, Rev. Howard Farmer, Sr, a month ago. I can only imagine the reunion Lillias is experiencing walking on streets of gold. It's so sad to let them go, but GOD will give you peace and I just keep thinking that it won't be much longer and we will all be reunited again, soon. May GOD bless you all and your families now and always. She sure was proud of you all. She called dad, mom and papaw pretty regular and she would always mention her family. She loved you all dearly. Love and Prayers for my sweet family. I love all of you.

“ Teresa & Barbara

I'm so sorry to hear of the passing of aunt Lillias. She was such a beautiful person to all that knew her, and a blessing to so many. I have such sweet memories of her and uncle James, and always the special kindness and love they showed me and my family. I don't think I've ever met two people that loved each other as much as Lillias and James. Lillias so much reminded me of granny McKeehan because of her love for God and family, and her soft, pleasant nature. I've encountered many blessed workers for the lord in my life as a pastor's child, and truly aunt Lillias was one that can't be replaced. Heaven is rejoicing today and welcoming with open arms Lillias Marie McKeehan. May God bless and comfort the hearts of Teresa and Barb.

“ Teresa & Barbara,

*I am so very sorry about Aunt Lillias. She was a very special lady and will be missed dearly. I so enjoyed talking to her. I hate I will not be able to be there for you girls cause I will never ever forget that she was with my Mom when she passed away. Almost every August I would have Lillias tell me the story of Mom's last moments. She always made it seem so peaceful. I hope the same is true for Lil. Love y'all,
Jennifer*

“ Dear Barbara and family,

Thinking of you so much these days as you mourn your loss, and lay to rest your mothers physical body which was home to your mothers spirit and essence. These bodies cannot endure forever, but Love lives on in our hearts, and memories can never be lost if we keep them near, which will always be a comfort.

This picture of Lillian is very special and her warmth and gentle spirit is very evident.

Through these days, know many are thinking of you with sympathy and care.
