“ I remember Linda from 1976. She attended a Bible study and was involved with the youth. She made a delightful clown. I always loved Linda because she spoke her mind. She was a delightful lady.

“ I want to offer my condolences to Bill and the entire family at this time of loss. Linda and Bill had lunch with my wife, Nedra, and I several months ago, which was our first and only direct contact with her, She was certainly a nice and loving person, and I am pleased that she could share her life with my good friend, Bill. I feel confident that the Good Lord will fill his mind with the many good memories of Linda and their life together. RIP Linda.

Bill and family sorry for your loss. I've known Linda for many many years. Back in the 70s when did I went to clown School in Louisville. She taught me how to handle what life handed me with a smile, no matter how hard it was. She was one special lady. She will be greatly missed oh, but I know her rewards in heaven are many.

“ I am very sorry to hear of Linda's passing. I first met her at Ascension Episcopal Church, while I was Church Secretary and she worked with the youth of the church. Often she would cook a lunch for the "senior" ladies who met in the church library for the "BMG" gathering. There may be a few ladies left who remember, and can tell others what that stood for! Those were happy times! But, the one thing I remember is when she told her story of meeting, falling in love with and marrying the love of her life, Bill. Her face just glowed and her smile was from ear to ear. She could go on for hours about that! She was indeed, a very special person and will be sorely missed. Rest in peace, Linda.
