“ Aunt Linda I'm so sad that you've passed but I know your here with us in spirit. Me and you have been very close all of these years. The most greatest memory I have well there several but this particular one is when I was about 5 years old. It was my mother, Aunt Lisa, you and me when you all put that dreadful long wig on my head and we were all walking down Holmes St and it kept falling off course it was so long that I kept stepping on it! I will never forget this! I love you and miss you but I will see you again on the other side!!
