“ *Linda was a one in a lifetime neighbor. We have shared many laughs and many tears. She and my sister Betty and I have so many fond memories one day we decided to help spring clean each other's house. We started with mine. I got a super clean house but unfortunately they decided one was enough. Loved the fish fries with Neville and all the cookouts out back with Lee. She was one special lady and I will miss her very much.*

“ *I had the privilege of working with Linda for many years. Her wit, humor and dedication to her job and her work family were an inspiration for all of us. She was not only my co worker but also my dear friend.  
To Lee and the family, I send my deepest sympathy. She was a light in this world.
