“ *I am so sorry for the passing of your Mom. I will never forget the day she and your dad helped me with unruly neighbors who lived on the corner. She sent your dad down to stay with me until the police came. He still stayed until he knew I was safe. They always waved when they passed the house. I pray peace over your family as you all finish the journey of your lives until you meet again.*

“ *I will always remember my neighbor Linda, who would often come out to the porch and speak to me when I walked my dogs. She would share stories about her own dogs, and the last time we spoke was just last week when she and Teddy came out.*
