“ *Rhonda, I wanted to let you know how sorry I am for your moms loss. You are going to have some rough bumps in the road but just remember she is not in pain anymore. That is the only think that has gotten me through my loss. I know your mom had to be a great lady to raise such a beautiful caring daughter. I am here for you if you just need to talk. Please let me know if there is anything I can do you for you. Love You Kim*
