“ *I only knew Ms. Lisa for a short time. My first NA meeting; she greeted me with open arms. I was scared walking in, but she made me feel like everything was going to be okay. After that, we spoke on the phone for a while, but then lost touch after my husband was released from jail.*

Your daughter was a very important part of my recovery and she will continue to be a guiding light for me. I know she is in heaven watching over me now.

Thank you so much. She will always be in my heart, and the whole family will be in my prayers.
