“ *I was shocked and saddened to learn of Lisa's passing. For the last few years, Lisa looked after my cats when I was out of town. She always did a great job. I appreciated her concern for animals. She will be missed.*

“ *I was out of town briefly and was shocked to learn of Lisa's passing tonight. I would like to extend my sincere sympathy to her family. I knew I could call anytime and she would listen to my concerns and questions about my cats and then offer common sense advice. I knew she had unlimited knowledge about animals and her instincts were right on target. She cried with me when I had to have my 17-year old cat put down and I will never forget her empathy and concern for us all. I cannot imagine going back to the clinic without her there. She will always be missed and remembered for the wonderful lady she was.*

“ So very sorry to hear of her passing. She was wonderful with all of the canine and feline guests at Town and Country and so pleasant to talk to when I would call to get references on adopters. She will be missed. Your family is in our thoughts and prayers

“ Nicole and Mark, you both have our deepest sympathy.

Nicole,

I was always so grateful at how awesome your mom was with our animals and how she loved on them and cared for them. I had such peace when she was taking care of them. Your mom was so great to me during my struggle and I will never forget that. She always greeted me like I was family and she felt like family to me also. I always loved to hear her laugh and tell me that my bill total was one million dollars. Eric and I along with our pets will miss her GREATLY!!!! She had a great love for animals and it showed. We will never forget her and keep her in our hearts forever!!!!

“ Lisa's family, I wanted to share a story from Lisa's youth. Lisa's grandparents farm was next to my parents farm and when Lisa would visit we would ride horses together. One time we were riding horses together and Lisa fell off the horse and landed in a pile of cow manure, she was not hurt but we laughed about that for hours. I have very fond memories of those days. Please know that you are in my prayers. George Blakeman

“ Mark and Nicole, John and I were so saddened to hear about Lisa. She was an awesome woman and she is going to be missed greatly. Fortunately John and I have wonderful(one-eyed)Jack, Lisa picked the name, to remember Lisa's joy and friendship. Without her knowing that Jack belonged in our home he would not be here. Just one example of her passion and compassion for animals.

Peace be with your family.

“ Dear Nicole and Mark, I am so sorry for your loss. Lisa will be missed greatly. I loved her dearly. I worked with her at Transportation during the years I was there she was always very good to and then after we both left, I found out she was working for Dr Massie and we started to take our pets there and she was always so good to them too. She was the best. love you, Lisa
