“ *Words can not express the sadness I feel for the loss of Lisa. Even though over the past few years we didn't see each other very often, we sure did have lots of years where we were together all the time and spent a great deal of our childhood growing up together. I will always have great memories of those times and the friendship we had. Lisa was such a good person with such a good heart. She will be missed by many. RIP my friend and enjoy your new life! We will meet again some day!*
