“ This news breaks my heart. Lisa and I were so close in our Junior and Senior years at Franklin Co High. She was my maid of honor 42 years ago today when I married the love of my life. We lost touch over the years, but always enjoyed a visit when we bumped in to each other out in the community.

“ *I've got so many memories with Lisa. We were best friends. We were there for each other no matter what. She was always willing to help someone else no matter what she was going thru personally. She had the biggest heart. She was braver than anyone I know. Rest easy beautiful, I love you*
