“ *Lori is perfect in body, now in heaven and rejoicing with those that have gone on before her. Let God hold you in his arms in the days to follow, as you shed your tears. Take time to reflect on the memories and the great times you have shared together. You all are in my prayers. As Always Auntie Etta*

“ *I had the pleasure of working with Lori several years ago. Lori was one of the sweetest, most genuine people I have ever known. Her smile and laughter, her faith in God, along with the love she had for her family are what I will remember most about her. My deepest condolences to Phillip and their children.*

“ May God carry you and your family through this difficult time. I graduated with Lisa & Lori at Scott Co. in 96'. She always had a smile for everybody and was well liked by everyone. I can't fathom what you must be experiencing; I only wish there were something I could do. God surely got a precious new angel Thursday morning.

“ Lori was the best. I have so many memories of her during our school years. She was always the one with the funny floppy bun on top of her head, singing into a spoon, hair brush or whatever she could find. I remember Lori, Lisa and myself "cruising" town as Seniors. Lori had a big heart and had the most twisted sense of humor..that's what made Lori so likeable,lovable and memorable. Lori will be greatly missed. May God bless and keep her family, friends and loved ones close to Him during these difficult times.

“ Lori - You brought me laughter when I was grieving. You brought me love throughout the years. You shared your creativity through your writing & inventions. You shared your adventures (through your children). You shared your joys and your tears. You will always be loved & missed.
All my love & prayers.

“ My deepest sympathy is extended to Lori's family! It has been several years since I have seen Lori, but I still have very fond, and many funny memories of our times we ran drive-thru at McDonald's! It was always a blast when Me, Lisa, and Lori worked together! Thank you for those memories, Lori!!
