“ *Eddie and I grew up close to each other in Indian Hills. We all played ball in a big lot behind his house. The one thing I remember the most was in 1966 going to the Lake of the Ozarks with him and his mother and daddy. We both loved water skiing, we would ski all day and then in the evening we cruised around in a 1966 Firebird. We did a lot of water skiing down on the river. The 1960's were some good years. So sorry to hear of his passing. I have a lot of memories because we spent a lot of time together. Prayers to his family.*
