“ I am so sorry to find out about Mom IIs passing. Ron (Hayden) tried to call her Thanksgiving Day. When he got the message her phone had been disconnected he drove to Frankfort from Bardstown to find the house was sold. A gentleman working there said he thought she had passed away.

I apologize for being so out of touch this year. She was a very special and supportive & loving friend and adopted Mom in my life and I will truly miss her. I had planned to come see her when I was in Kentucky at Christmas. I am very sad but by know that she is happy now that she is no longer suffering and is in Heaven with Charlie.

*With Love and Sympathy,
Margie*

“ Ronnie,
Wish I could be there....I know she had a hard time of it over the last couple of years and is finally at peace. My prayers and thoughts are with you.

“ *Ronnie, I am so sorry to hear of Aunt Lou's death. I haven't seen her too much in the last year or so but the last time I did see her was at Frisch's. She was laughing and talking as usual. She was closer to me than Moma's sisters and I have always loved her. She was such a special person in my life.....and the best friend that Moma ever had.*

Love, Susie
