“ *Words cannot express how saddened I am about Lurene's passing. This world will not be the same without her. I am going to miss her so much!!! She was the one of the kindest, most gentle and loving people I have every known. She was the very essence of what a mother and grandmother should be -- I learned so much from her.*

“ I had the pleasure of caring for Ms. Wiley and knowing her family throughout the years as a nurse at Frankfort Regional Medical Center. Ms. Wiley was one tough lady; even when she felt her worst she always pushed herself to do whatever she needed to in order to get well and go home. It is such a tragedy that she was taken in this way after all of the health battles she fought and won. I loved taking care of her and knowing her family. She was a special lady that touched my heart and truly made me appreciate and love what I do. She will be greatly missed by all, but is a shining star up in Heaven.

“ *Wiley Family: My thoughts and prayers are with you during this most difficult time. Ms. Wiley was a very special lady and each and every time I ran into her she remembered my face and would talk with me. Danny and I went to school together many years ago when I first was introduced to her. She was a very kind and friendly person and will be missed by many. May the Lord hold you close and guide you during this most difficult time. Angie Hardin Wingfield*

“ *Jamie and family,*

I am so sorry for your unexpected loss. Your mom was such a sweet and respected lady. My mother is sharing her condolences as well. She said your mom always went out of her way to say hello and ask about her when they met out. It goes without saying that your mom was a kind and special lady. My heart goes out to you and your family.
