“ *Just to share a few qualities that I always admired about Madge . . .
First and foremost, she was a Christian woman who loved going to
church. She was married to the same man for many years, bore him
6 children, and raised them in church. She was a great cook! Her
cakes, pies, and homemade biscuits were the best! Thank you,
Madge, for having these great qualities about you and for being my
mother-in-law. I will see you soon in Heaven.*

“*Madgie was a great aunt and always fun to be around. We had many laughs with her. She loved her family very much. Even though we haven't got to spend as much time with her the last few years, we thought of her often. You all are in our prayers.*”
