“ Aunt Maddy will be missed. I have such fond memories from my childhood of spending time with her and her family at the Hilltop Market Grocery. In the summer Patty and I would play in the garden statuary area. We spent numerous Christmas eves at Aunt Maddy's. She always had awesome Christmas gifts for me. One of my favorites was my Donald Duck transistor radio. I wanted it so badly and she got it.

Can not forget her cooking...the best coleslaw EVER. Her fried chicken livers and scalloped potatoes were fantastic. Many memories of our families going to Lexington to have dinner at the Parkette Drive-in restaurant.

She always accepted me for who I am and never tried to change me.

Much love,  
Charlie

We are Tate's from Mississippi. My father-in-love was from Frankfort and I believe we could be related. We don't have much family history and would love to know more. His name was Lyman Donnie Tate.
