“ I worked with Margaret several years ago. My thoughts and prayers are with the family during this difficult time.

“ Dear Tina, I was stunned when I heard this morning that Margaret had passed away. I know I hadn't seen you guys for a while, but I didn't know about any sickness she may have had. It was just such a shock to me. Even though we hadn't seen each other for sometime, I still considered Margaret a friend. We worked together for a long time at KHC and she was actually the one who talked me into going out there to interview for a job, so I owe her a lot. I loved Marg's sense of humor and the way she spoke her mind. I hope that she didn't have to suffer and I know she is in a better place. The ones I feel the most for are you and your boys. I know how close you all were. I will definitely keep you in my thoughts and prayers. God Bless! Cheri
