“ *I am Hester Palmer White Margarette, You lived on the way to my school in Lee County. I was 10 years old with this memory. You were only a month old and I wanted to see you. I loved your name. I thought you were the cutest baby! I had to bypass Aunt Cora and wanted to see you and play with you. My mother was Georgia Palmer. My father was Lee Palmer. I married Carl B. White and was happily married for over 60 years to Carl. I wanted to visit and say a formal goodbye, but it is a long way for me at this time.*
