“ *Marsha you were the sweetest, kind hearted, loving, spunky gal I knew!! You always put others before yourself... I will NEVER forget you saving my granddaughter, Avery's 12th birthday party by having a cake made in only 2 hours before her party (after the company that I had placed her cake order with dropped the ball and didn't have her cake) Marsha came through with the BEST purple ice cream cake ever and saving the day!! Again, doing for others when she didn't have to... You will be so missed by many my friend... You are no longer suffering in pain and that I'm grateful for... You will NEVER be forgotten... Rest easy my friend, until we meet again... Sending hugs love and prayers to the family* ❤️❤️
