“ *Pam,
I had no idea you lost your daughter, Martha. I remember her as a little child running around your mother's house. I know I don't have to tell you there is nothing more heart-wrenching than losing a child. I simply cannot imagine your sorrow. God bless you and the rest of your family.*

“ I am so sorry Pam. I honestly don't know what to say but my first
thought was all the fun we had at the bowling alley and Martha's
skills. She was a beautiful young person with a big heart and a
wicked hook. I wish I could be there to give you a hug.

“ Martha & I we’re best friends back in Elementary school but lost touch when we ended up at different schools. This is a picture of us playing a game at my birthday party years ago. She will be missed! Keeping her family in my thoughts and prayers ❤️

“ I went to high school with Martha and we have remained friends over the years. She always talked about her mom, sister, and grandmother. I could tell family meant a lot to her. We had talked about her moving and I know she was excited to start a new chapter and was serious about it. This breaks my heart so much for her family. Martha was a beautiful, positive, forgiving person who will never be forgotten.
