“ *My prayers to Martin's family. Martin was my school bus driver, I visited with him a few years ago at his home, he was the same sweet man that I had remembered, I used to work on Myrtle Avenue and would walk on my lunch and visit with him and Mrs. Current, they were both wonderful people and so enjoyed me stopping by for a visit and to sit with them and just talk. I can see him now in his hat and his blue jumpsuit....and I will remember him always laughing on the bus, he enjoyed driving the bus and talking with us kids....Prayers to you all.....Paula Moore Woolums, I lived out on Lewis Lane off Sheep Pen Road then...*
