“ *I was a 4-H agent in Leslie County when I worked with Marva over in Clay County. I always enjoyed talking with Marva, she enjoyed her life to the fullest, friendly, always had a great smile. May God bring you all in her family a great sense of love, comfort and strength in this time of loss but know she's at peace in Heaven with her Savior too. She will be missed by us all too. “ *To the Family and Friends of Marva, please accept my deepest condolences. We were not designed to deal easily with the tremendous pain that losing a friend or family member causes. I pray the support from family can help bring comfort to you all during this time. Be assured also of God's loving hand if we reach for him (1Peter 5:6,7 & Psalms 55:22). My thoughts and prayers are with your family. May the promise given at Job 14:14,15 provide you with the assurance that Marva rest in God's memory.*

“ Marva, If I were with you, I would ask you, “How did we get so old? How did the years pass so fast? Where did our youth go?” We would speak of younger years, singing with the car radio, the days of challenges of being a young adult, and the hopes we had of the future opening before us. Though distance and time took us in different directions, you always remembered your old pals. You touched many lives along your life’s journey and made us better for having known you. I picture you in Heaven looking down at us and wishing us to know, that where you are is better than we can ever imagine and your joy is overflowing. We can’t be with you right now, because we still have work to do. But, save us a seat, we’ll join you one far off day. We know of the faith that got you there, we know the way.

To Marva’s family, my heart is filled with sorrow to hear of Marva’s passing. May precious memories and remembrance that you are always in her heart, be lasting gifts she left for you. (Love is eternal.) May the Holy Spirit fill you each with comfort and peace.
