“ *Tera:  
I was so very sorry to learn of Mary Anne's passing. While I have not seen her in several years, she has seemed to be present on many occasions. Mary Anne was the first person who told me the Knock-Knock, a Cadillac funny if you pull his tail. I still say that often and it reminds me where it came from each time. There are just some things that make some people live forever. I know that the two of you had a wonderful life together.*
