“ *It has been 8 years since you died and in some ways I think about you more than when you were alive. In some ways I feel more your granddaughter now than before. At your funeral, I was so touched when friends of yours told me I looked like you, or reminded them of you. Every bit of me misses you constantly but at least you are no longer suffering. I'm going to be 18 within a month and you sadly cannot be here to share it with me. That's right, I made it. Your little Matilda has grown and became a woman. I'm married now actually and I moved out. Everything is going great for me I pretty much have the whole world in the center of my hand. I hope you miss me as much as I miss you. I love you so much love your favorite Grand daughter. â¤*

“ Butch,
I'm so sorry to hear of Libby's passing...How ironic that both she and Hallie would be taken from us so quickly. My heart, thoughts and prayers are with you.
